

Better *Taste* Matters

In an independent blind taste test, 86% of participants preferred Fourth Power Labs Sublingual Oil over leading brands.¹

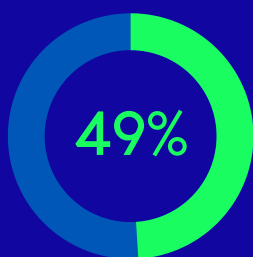

Ranked the highest in most survey questions (i.e. quality, liking, appeal and aftertaste measures). Respondents also felt happiest, healthiest, most content and most satisfied while tasting.

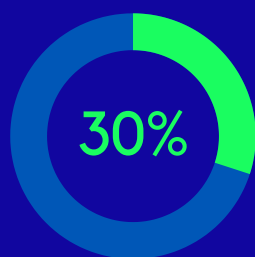

Highly associated with the most attributes.

Clean, Good, Healthy, Natural, Refreshing, Calming and "For Me"

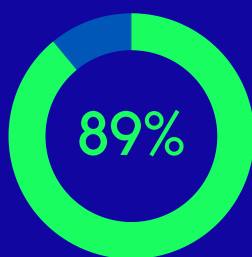

Compared to other samples, significantly more respondents would like to have Fourth Power Labs again based on the flavor and fragrance alone.
